In respect of a similar request made by the Brahmin Education Fund Society, Mysore, the Secretaries were told that their prayer cannot be granted & that deposits can only be received in the treasuries in the name of the Mysore Bank & not on behalf of the Society & that they may apply to the Comptr in the matter In this connection, it will be well to note that Receiving money in the treasuries would imply the countenance of the movement and that may mislead the public".

Perhaps the same principle applies to this case & a similar reply appears suitable
